Dear Kathryn,

Thank you for your letter of November 28, 2016. Your letter arrived on the day our diocesan pilgrimage left for the Holy Land, hence the delay in responding. Just now, I am trying to catch up with my correspondence.

I am very grateful for your participation and membership in the NPM chapter as well as the sharing of your talents in the area of music at St. Jude Parish. Please know of my continued support in meeting the goals of your membership committee.

Over the years, I have grown more concerned about the quantity and quality of musicians, choir directors, cantors and others involved in the music ministry of our church. Without a doubt, very few things are as essential and game changing in our liturgical worship than music. It truly moves the heart and so must be attended to with great dedication and diligence. It often makes the difference between liturgy that inspires and builds up the community of the faith and that which doesn't. I hope in my time as bishop to be able to assist in our chapter of NMP achieving your stated goals as well as developing ongoing efforts to improve the liturgical life of our diocese.

Thank you once again and God bless you and your ministry.

Humbly Yours in Christ,

Most Reverend Carl A. Kemme D.D.
Bishop of Wichita
