*Cantabile*—Singable! The season of Advent is a time of waiting, of quiet reflection and preparation, but because it is a time of hope and joy, we give voice in wonder at the Word made flesh living among us and within us. Christ is our Song, the One choosing to "make a home" in the heart of every person, calling each of us to be a womb that welcomes his gentle presence as God-with-us! May this hidden presence fill each of you with deep joy. We rejoice now and anticipate the day to come when "heaven and nature sing!"
